# Your Bead for Venice 2025

The International Society of Glass Beadmakers (ISGB), the Committee for the Safeguard of the Art of Venetian Glass Beads (CPVV) and the Association des Perliers d'art de France (APAF) have organized the 4th edition of the International competition and exhibition 'Your Bead for Venice'.

Beadmakers from around the world were invited to enter a bead into the competition that was inspired by Venetian beads or Venetian glass techniques. After the first round of judging, the finalists were selected.

The beads will be on display in the Venice Glass Museum in Murano during Venice Glass Week 2025.
